The IoC-led Skills Bootcamps are training 1,700+ people with digital skills

Hire from this new talent pipeline - cohorts are graduating throughout 2022

## SKILLS BOOTCAMPS

Skills Bootcamps are **flexible courses of up to 16 weeks that give people the opportunity to build up sector-specific skills** and fast-track to an interview with a local employer. They are being developed as part of the Government's Lifetime Skills Guarantee, helping everyone gain skills for life.

The Institute of Coding (IoC) has **partnered with prominent universities nationwide** to deliver **Skills Bootcamps** that prepare people for **entry or mid-level employment** in digital or tech roles.

### Access this skilled talent pool

We are training diverse talent (44% women), and many participants (60%+) already have a degree or graduate degree.

Cohorts are **graduating throughout 2022** and will be **looking for employment** after their Skills Bootcamp.
